

COMMANDER IN CHIEF
ALLIED FORCES SOUTHERN EUROPE

21 FEB 1977

Dear Mr. Secretary,

How very thoughtful of you to attempt to phone and then to write. I am very grateful for your expression of confidence and support. It will mean a lot to me in the days ahead as I undertake these new responsibilities. I will indeed remember your offer of assistance and will not hesitate to call if anything develops.

In the meantime, again my sincere appreciation for your thoughtfulness.

Yours,
